# Popcorn Popper

## INCLUDES:

- Popcorn Kernels
- Oil
- Popcorn Salt
- Individual Sized Bags/Cones
- Measuring Cups
- Spray Bottle of Vinegar for Equipment Cleaning

## Operating Instructions

1. Turn light and kettle ON and allow machine to preheat 5 to 7 minutes before popping corn.
2. Add popcorn oil and seasoning to kettle. Use 1/4 or 1/3 oil to 8 oz corn ratio for best results.
3. Dump all corn from kettle when popping stops.

### IMPORTANT

**Never make popcorn in a dry kettle. Turn kettle OFF when not in use.**

# Tents, Tables, and Chairs

- One guitar input function
- One audio input
- iPod dock
- Treble, bass, and echo control

Located at NeighborWorks Green Bay. Please call (920) 593-3716 to reserve.

# General Reservation Policy

Neighborhood Associations are the only organizations that may reserve GBN activity inventory items. Neighborhood Associations are allowed to co-sponsor an event with a different organization and reserve activity inventory items for that event, as long as the association will be present and adequately represented at the event. The outside organization may not make the reservation even if they will be working in conjunction with the association on the event.

All items must be picked up and returned during normal business hours: 8:30am to 4:30pm Monday through Friday

Please reserve equipment and arrange a time to pickup/drop off items by calling 920-593-3716.

NeighborWorks Green Bay is located at:  
437 S. Jackson St. Green Bay, WI 54031
