Popcorn Popper

INCLUDES:

- Popcorn Kernels
- Oil
- Popcorn Salt
- Individual Sized Bags/Cones
- Measuring Cups
- Bottle of Cleaner for Equipment Cleaning

Operating Instructions

1. Turn light and kettle ON and allow machine to preheat 5 to 7 minutes before popping corn.
2. Add popcorn oil and seasoning to kettle. Use 1/4 or 1/3 oil to 8 oz corn ratio for best results.
3. Dump all corn from kettle when popping stops.

IMPORTANT

Never make popcorn in a dry kettle. Turn kettle OFF when not in use.

Items are located at NeighborWorks Green Bay. Please call (920) 593-3716 to reserve.

Tents, tables, and chairs

Items are located at NeighborWorks Green Bay. Please call (920) 593-3716 to reserve.

General Reservation Policy

Neighborhood Associations are the only organizations that may reserve GBN activity inventory items. Neighborhood Associations are allowed to co-sponsor an event with a different organization and reserve activity inventory items for that event, as long as the association will be present and adequately represented at the event. The outside organization may not make the reservation even if they will be working in conjunction with the association on the event.

All items must be picked up and returned during normal business hours:
8:30am to 4:30pm Monday through Friday

Please reserve equipment and arrange a time to pickup/drop off items by calling 920-593-3716.

NeighborWorks Green Bay is located at:
437 S. Jackson St. Green Bay, WI 54031

Items are located at NeighborWorks Green Bay. Please call (920) 593-3716 to reserve.
